Dear Dr. Zhu:

Thank you for your recent submission to Water Resources Research (Optimizing the Implementation Plan of Watershed Best Management Practices with Time-varying Effectiveness under Stepwise Investment, [Paper # 2022WR032986RRR]).

However, we are unable to forward your paper to the Editor to start the peer review process until the following problems are corrected:

1) In the Open Research section, please provide an in-text citation in (Name, Year) format instead of the full link, which should be in the corresponding Reference List entry. For example, "The improved SEIMS programs and the prepared data are freely available at Shen & Zhu (2022)."

Please use the link below to access your manuscript and make the necessary modifications.

If you have any questions about how to complete your submission, please contact me by replying to this e-mail message or click on the link below for additional online help.

Sincerely,

Abi Franklin
Editor's Assistant, Water Resources Research
