Title: From scenario to roadmap: Design and evaluation of a web-based participatory watershed planning system for optimizing multistage implementation plans of management practices under stepwise investment

Article Type: Research Article

Corresponding Author: Dr. Liang-Jun Zhu

All Authors: Shen Shen; Cheng-Zhi Qin; Liang-Jun Zhu; A-Xing Zhu

Submit Date: 02-09-2023

Dear Dr. Zhu,

Thank you for submitting the above-mentioned article to Journal of Environmental Management.

We are pleased to inform you that at this point, the scientific content requires no further revision and we are prepared to officially accept your article.

We have been able to use your submitted paper for the review process and now that the paper is going to go into production, there are a couple of small things that need to be done to ensure smooth processing of your paper through the production process. Please check the "file inventory" to ensure that all of the items listed below are included in your manuscript.

1) Manuscript Source Files:

We cannot accommodate PDF manuscript files for production purposes. Refer to Guide for Authors for additional information: <http://www.elsevier.com/journals/journal-of-environmental-management/0301-4797/guide-for-authors>

2) Figure Source Files:

Please make sure that artwork files are in an acceptable format (TIFF, EPS or MS Office files) and with the correct resolution. You may include figure files embedded within the manuscript file, as long as they are of sufficient resolution for Production.

<http://www.elsevier.com/artworkinstructions>

3) Highlights (mandatory)

Highlights consist of a short collection of bullet points that convey the core findings of the article and should be submitted in a separate file in the online submission system. Please use 'Highlights' in the file name and include 3 to 5 bullet points (maximum 85 characters, including spaces, per bullet point). See <http://www.elsevier.com/highlights> for examples.

4) Graphical Abstract (optional)

Graphical Abstracts should summarize the contents of the article in a concise, pictorial form designed to capture the attention of a wide readership online. Authors must provide images that clearly represent the work described in the article. Graphical abstracts should be submitted as a

separate file in the online submission system. Image size: Please provide an image with a minimum of 531 × 1328 pixels (h × w) or proportionally more. The image should be readable at a size of 5 × 13 cm using a regular screen resolution of 96 dpi. Preferred file types: TIFF, EPS, PDF or MS Office files. See <http://www.elsevier.com/graphicalabstracts> for examples.

When submitting your final files, be sure to include a separate document uploaded as "Response to Reviewers" that confirms you have provided all of the requested items that were previously not present (for example, "highlights have now been uploaded").

Please submit your files online by logging onto the Editorial Manager for Journal of Environmental Management as an Author:
<https://www.editorialmanager.com/jema/>

Your username is: zlj@lreis.ac.cn

If you need to retrieve password details, please go to: [click here to reset your password](#)

Journal of Environmental Management features the Interactive Plot Viewer, see:
<http://www.elsevier.com/interactiveplots>. Interactive Plots provide easy access to the data behind plots. To include one with your article, please prepare a .csv file with your plot data and test it online at <http://authortools.elsevier.com/interactiveplots/verification> before submission as supplementary material.

PLEASE NOTE: The journal would like to enrich online articles by visualising and providing geographical details described in Journal of Environmental Management articles. For this purpose, corresponding KML (GoogleMaps) files can be uploaded in our online submission system. Submitted KML files will be published with your online article on ScienceDirect. Elsevier will generate maps from the KML files and include them in the online article.

Research Elements (optional)

This journal encourages you to share research objects - including your raw data, methods, protocols, software, hardware and more – which support your original research article in a Research Elements journal. Research Elements are open access, multidisciplinary, peer-reviewed journals which make the objects associated with your research more discoverable, trustworthy and promote replicability and reproducibility. As open access journals, there may be an Article Publishing Charge if your paper is accepted for publication. Find out more about the Research Elements journals at https://www.elsevier.com/authors/tools-and-resources/research-elements-journals?dgcid=ec_em_research_elements_email.

We once again thank you for your contribution to Journal of Environmental Management and look forward to publishing your work.

The revised version of your submission is due by 06-03-2023.

Yours sincerely,

Toan Trinh, Ph.D
Associate Editor
Journal of Environmental Management

While submitting the revised manuscript, please double check the author names provided in the submission so that authorship related changes are made in the revision stage. If your manuscript is accepted, any authorship change will involve approval from co-authors and respective editor handling the submission and this may cause a significant delay in publishing your manuscript. Comments from the Editors and Reviewers (if available):

Reviewer #5: No comments
